**The Unfair Advantage
Best Instructors – Best Class Experience – Best Students**

THE UNFAIR ADVANTAGE

Success Lab, Instructor Tips, Weekly E-mails

The Success Lab strategies put your facility on par with the top schools around the world. Study the Success Sprints with your team of trainers and see the retention and revenue grow. The weekly emails and Facebook groups are powerful ways to ask questions, get insights and quick tips for success.

Webinars

Special training webinars give you the right amount of information and inspiration to stay ahead of the industry and your competition.

Hyper Pro Training Upgrade System

Update your black belt club, black belt curriculum or build a competition/demo team with this curriculum. It's fun, fresh, has cool music and builds martial arts athletes. Our automatic enrollment system keeps your programs full and income flowing in.

Hyper Camps

Access the very best camp system with over 80 unique camps. Schools thrive and generate serious income with the 1-day and 1-week camps. Take advantage of the 10 single day camps and 15 weeks available each year for fun Hyper Training Camps.

Hyper Solid Foundation System

The Hyper Solid Foundation curriculum forms and weapons forms are perfect to use for your regular curriculum experience or for schools with limited experience in creative forms and weapons. This system gives you the solid foundation basics with modern patterns and teaching strategies to help you create powerful martial arts athletes.

Events & Movements

Friday night training events, ticket contests, and Hyper Kick Challenges create exciting events for the students to look forward to. The Martial Arts Athlete movement brings family members, friends and the community into your school. Take over PE Classes, sports teams practices and partner with local schools to inspire your community to start martial arts training.

Hyper Pro Shop

Inspire people when they walk into your school with a powerful retail experience including inspirational posters, clothing and promotional items. Sell programs and use shirts for contests, to create culture and inspire students to be a part of the martial arts lifestyle.

Instructors

Give your instructors the tools to deliver the best classes in your community. Instructors learn the curriculum, study the instructor guides, use the class grids, transform their vocabulary, and infuse the teaching platforms, music and drills that create a powerful experience for the members.

Private Strategy Sessions & Online Success Academy

We are ready to help you succeed! You can access our private coaches for strategy sessions or do training sessions anytime with our online success lab. Let's team up to get your school where you want it to be and reach, teach and inspire more people in your community.
